PROFESSIONAL EXPERIENCE

Admin / Executive Support / IT & Procurement Assistant

Europart Middle East FZCO, Jebel Ali, Dubai *Oct 2023 - Present*

- Managed front-office operations including calls, gate passes, courier/fax services, and visitor appointments.
- Maintained staff attendance and coordinated day-to-day employee management tasks across departments.
- Processed employee claims such as petty cash reimbursements and applied for annual leave on behalf of staff.
- Acted as personal secretary to the CEO on an ongoing basis - managing his correspondence and mail, arranging meetings and appointments, assisting with documentation, and coordinating travel bookings.
- Conducted market research and compiled detailed reports for the CEO on request, including a report on truck dealers and spare parts companies across the Africa market.
- Handled local purchase operations end-to-end, including preparing Local Purchase Orders (LPOs) and updating procurement data in the company software.
- Updated and maintained consignment arrival notes, ensuring accurate tracking and recording of incoming shipments.
- Assisted purchase operations by procuring stationery, groceries, and office supplies, updating stock, preparing reports, and processing warranty claims.
- Supported HR functions such as staff insurance, employee record management, and recruitment coordination.
- Handled insurance reimbursement claims end-to-end, coordinating directly with the insurance agent and completing all required documentation.
- Processed petty cash claims, collected invoices, and prepared monthly reports for accounts.
- Coordinated PRO tasks - preparing HS Code summaries, submitting Dubai Customs BOE, and filing documentation.
- Provided basic IT support to staff - troubleshooting hardware/software, setting up workstations, managing user access, printer/scanner setup, and network connectivity; remotely extended this support across all 5 company branches as first point of contact for issues such as printer malfunctions and Microsoft Office/Excel problems.
- Handled telephone system and CCTV troubleshooting and basic network configuration; maintained IT equipment inventory and coordinated procurement of replacement parts.
- Designed and built an internal JotForm application to streamline a company process, applying basic FlutterFlow knowledge for simple app-building.

HR / Admin Assistant

Century Human Resources Consultancy, Dubai *Jul 2022 - Sep 2023*

- Supported HR consultants in full-cycle recruitment, including job postings, CV screening, and onboarding coordination.
- Maintained accurate employee records, prepared employment contracts, and updated HR databases.
- Responded to employee inquiries and ensured compliance with HR policies and benefits.
- Coordinated client requirements and handled candidate documentation.

HR Assistant

Maisaloon Group of Companies, Dubai *May 2021 - Jun 2022*

- Maintained HR records, managed attendance, and handled uniform and grievance management.
- Supported visa processing, renewals, and vacation management.
- Assisted employees and managers with HR-related queries and ensured data accuracy in HR systems.
- Assisted with recruitment processes, test administration, and candidate evaluations.

Junior E-Commerce Executive

Lumina Datamatics, Chennai, India *Jan 2020 - Jan 2021*

- Managed product listings, categorization, and seasonal page updates on e-commerce platforms.
- Enhanced product visibility by optimizing top-performing listings.
- Built and updated category pages according to seasonal promotions.
- Ensured data consistency and compliance with internal quality standards.

Assistant CCTV Technician

Hash & At Construction, Chennai, India *Jun 2018 - Dec 2019*

- Installed and configured Analog and IP CCTV cameras across multiple sites.
- Managed peer-to-peer connections, IP assignments, and configuration tasks.
- Assisted in troubleshooting, maintenance, and site-level technical operations.
