PROFILE

Results-driven HR, Administrative, and IT Support professional with 5+ years of experience spanning HR support, office administration, executive/CEO support, procurement, multi-branch IT support, and e-commerce operations. Experienced in employee data and leave/claims management, recruitment coordination, local purchase and LPO processing, insurance coordination, executive scheduling and travel coordination, remote IT troubleshooting, and daily office operations.

PROFESSIONAL EXPERIENCE

Admin / Executive Support / IT & Procurement Assistant

Europart Middle East FZCO, Jebel Ali, Dubai | Oct 2023 – Present

- Managed front-office operations, calls, gate passes, courier/fax services and visitor appointments.
- Maintained staff attendance and supported day-to-day employee management tasks.
- Supported the CEO with correspondence, meetings, appointments, documentation and travel bookings.
- Handled local purchases, LPO preparation and procurement data updates.
- Supported HR functions including insurance, employee records and recruitment coordination.
- Coordinated HS Code summaries, Dubai Customs BOE submission and filing.
- Provided first-line IT support across all 5 company branches.
- Built an internal JotForm application and applied basic FlutterFlow knowledge.

HR / Admin Assistant

Century Human Resources Consultancy, Dubai | Jul 2022 – Sep 2023

- Supported recruitment, CV screening, onboarding coordination, employee records and HR databases.
- Prepared employment contracts and responded to employee and candidate documentation needs.

HR Assistant

Maisaloon Group of Companies, Dubai | May 2021 – Jun 2022

- Maintained HR records and attendance; supported uniform, grievances, visa processing, renewals and vacation management.
- Assisted recruitment, testing and candidate evaluations.

Junior E-Commerce Executive

Lumina Datamatics, Chennai, India | Jan 2020 – Jan 2021

- Managed product listings, categorization and seasonal page updates.
- Optimized top-performing listings and maintained category pages for promotions.
- Ensured data consistency and internal quality standards.

Assistant CCTV Technician

Hash & At Construction, Chennai, India | Jun 2018 – Dec 2019

- Installed and configured Analog and IP CCTV cameras across multiple sites.
- Managed peer-to-peer connections, IP assignments and configuration and assisted troubleshooting.
